

Accreditation *evolved*. A streamlined path to higher performance

## CAROTID STENTING | NEWS

### Carotid Stenting Program Now Accepting Online Applications

ONLINE ACCREDITATION GREATLY IMPROVES APPLICATION PROCESS FOR FACILITIES

JUNE 2013 | The Intersocietal Accreditation Commission (IAC) is now accepting online applications for carotid stenting accreditation. The IAC Carotid Stenting accreditation program, created in 2010, is improved with updates and enhancements to streamline the process. **Beginning June 3, 2013, applicant carotid stenting facilities will have access to IAC Online Accreditation ([www.iaconlineaccreditation.org](http://www.iaconlineaccreditation.org)) for the first time.**

#### ABOUT ONLINE ACCREDITATION

The user-friendly, secure online application offers participating facilities the ability to view and download their decision letters and other correspondence, upload attachments, chat live with IAC staff members throughout the application, download their facility's marketing materials and much more! Learn more about the benefits on Online Accreditation at [intersocietal.org/carotid/seeking/about\\_accreditation.htm](http://intersocietal.org/carotid/seeking/about_accreditation.htm).

**Upcoming webinar!** Want to learn more about using IAC Online Accreditation? Register today for a complimentary, live webinar titled *IAC Accreditation: Exploring the Online Portal*, being held at 1:30 p.m. on Thursday, June 20, 2013.

#### GET STARTED

Applicant carotid stenting facilities may now access Online Accreditation by visiting the website at [intersocietal.org/carotid](http://intersocietal.org/carotid). To begin, click **Learn More Now** under the Online Accreditation login on any page of the website. For assistance with setting up your online account, please contact IAC staff at 800-838-2110 or e-mail [online-app-help@intersocietal.org](mailto:online-app-help@intersocietal.org).

#### ABOUT THE PROGRAM

Demonstrated by the support of sponsoring organizations, the IAC Carotid Stenting program accredits facilities that perform stenting of the extracranial carotid artery by ensuring that the facility meets benchmarks for quality based on resources, training and outcomes. The IAC offers multi-modality accreditation through its programs dedicated to Vascular Testing, Echocardiography, Nuclear/PET, MRI, CT, Dental CT, Carotid Stenting and Vein Center (*coming soon*).
