

Introducing ICACSF, the Newest Division of the IAC

JANUARY 2011 | The IAC is proud to introduce its newest accreditation program for facilities offering carotid stenting procedures, the Intersocietal Commission for the Accreditation of Carotid Stenting Facilities (ICACSF).

The ICACSF accreditation program is currently in the pilot phase. Applications will be accepted beginning in the first quarter of 2011.

Read the complete details in the Spring 2010 Newsletter at www.intersocietal.org/iac/news/2010/div_icacsf/intro_csf.htm.
