Documenting Your CT Facility's NEMA XR-29-2013 Compliance

Below are the instructions on how to verify NEMA compliance for facilities using conventional CT equipment.

1. Log in to your facility’s iaconlineaccreditation.org account.
2. Navigate to the “Manage Equipment” tab.
3. For each piece of equipment listed in the NEMA Compliance section, select the “Process NEMA” link.
4. Answer the question regarding the equipment’s NEMA compliance.
5. If you respond “Yes,” click the “Browse” button to navigate to the location of the certificate and select it. Click the “Start Upload” button to upload the certificate.
6. Select “Submit Responses.”
