Proposed Changes to IAC Standards and Guidelines for CT Accreditation Now Open For Public Comment - THIS COMMENT PERIOD IS NOW CLOSED

APRIL 1, 2013 | Beginning April 1, 2013, the public may visit the IAC website at www.intersocietal.org/iac/comment_period.htm to comment on any of the proposed Standards until June 1, 2013. In order to provide comments, the IAC Comment Form must be completed and submitted electronically by the provided deadline.

At the close of the comment period, the IAC CT Board of Directors will review any submitted comments, consider modifications as needed and vote for final approval of the Standards. Facilities are notified of changes to the published Standards, and the current version of the Standards can be viewed or printed from the IAC CT website at www.intersocietal.org/ct/main/ct_standards.htm.
