IAC Online Accreditation Now Available for Pediatric Applicants

NEW FORMAT GREATLY IMPROVES APPLICATION PROCESS

SEPTEMBER 2011 | Announcing the implementation of the new IAC Online Accreditation application for Pediatric Echocardiography applicants! The IAC is pleased to make this innovative online format available to applicant Echocardiography facilities. Free access to Online Accreditation is available for use by facilities when applying for accreditation for the first time or for reaccreditation. Applicant facilities may now begin accessing IAC Online Accreditation to apply for Adult and/or Pediatric Echocardiography accreditation, by visiting the website at www.intersocietal.org/echo
