

## IAC Releases Year In Review 2015-2016

---

MARCH 2016 | We are pleased to put forth the IAC Year in Review, the first publication of its scope to be issued by the Intersocietal Accreditation Commission (IAC) during our 25-year history.

Through the pages of this publication, we invite you to explore IAC's recent accomplishments as well as future projects as we continue IAC's mission of Improving health care through accreditation®. You will also find details of our CEO transition which became effective February 29, 2016.

IAC is fortunate to have a broad range of stakeholders working together in the accreditation process, who have each played a role in the IAC's evolution in becoming a national leader in accreditation and improving the quality of health care. Our stakeholders include the applicant facilities, sponsoring organizations, and related industry partners and organizations.

We greatly value the work that we accomplish together and look forward to our ongoing collaboration in the future. You are encouraged to contact our office with any questions or comments about this publication.
