

## PROPOSED CHANGES TO IAC MRI STANDARDS NOW OPEN FOR COMMENT

THIS COMMENT PERIOD IS NOW CLOSED

---

APRIL 15, 2014 | Beginning April 15, 2014, the public may visit the IAC website at [www.intersocietal.org/iac/comment\\_period.htm](http://www.intersocietal.org/iac/comment_period.htm) to comment on any of the proposed *Standards* for MRI until June 15, 2014. In order to provide comments, the IAC Comment Form must be completed and submitted electronically by the provided deadline.

At the close of the comment period, the IAC MRI Board of Directors will review any submitted comments, consider modifications as needed and vote for final approval of the *Standards*. Facilities are notified of changes to the published *Standards*, and the current version of the *Standards* can be viewed or printed from the IAC MRI website at [www.intersocietal.org/mri/main/mri\\_standards.htm](http://www.intersocietal.org/mri/main/mri_standards.htm).
