

AAPM: IAC Nuclear/PET Welcomes New Sponsoring Organization

MAY 2012 | IAC Nuclear/PET is pleased to announce the addition of a new sponsoring organization, the American Association of Physicists in Medicine (AAPM). The Board of Directors is looking forward to working with the AAPM representatives as their expertise is invaluable to the IAC's mission of improving health care through accreditation.

The AAPM is represented by Jennifer R. Stickel, PhD on the IAC Nuclear/PET Board of Directors. For the complete Board of Directors, please visit www.intersocietal.org/nuclear/main/who_we_are.htm.

The purposes of the American Association of Physicists in Medicine (AAPM) are to promote the application of physics to medicine and biology, encourage interest and training in medical physics and related fields. For more information about AAPM, visit www.aapm.org.
