

Updates to Online Accreditation Allow Facilities to View Financial Details, Order Promotional Items

JANUARY 15, 2013 | The IAC has released several new enhancements to the Online Accreditation application that will significantly assist facilities with accessing their financial details.

- **Purchase Extras** - Once granted accreditation, facilities can now order additional items (certificates, door clings, certificate plaques) for their facility electronically.
- **Transaction History** - Facilities can now view past and pending financial transactions with IAC including the ability to view and print receipts.
- **Follow Up Payment** - This allows users to submit a new payment or modify a payment that was not accepted.

The IAC will continue to make enhancements to Online Accreditation to make the process as simple as possible. Stay tuned for more updates!
